Dear Mr. Bradley:

As I mentioned in my voice message, this letter is provided on behalf of the NL Industries/Taracorp Superfund Site Group to advise EPA that ARCADIS Geraghty & Miller ("ARCADIS") will mobilize to the NL Industries/Taracorp Superfund Site in Granite City, Illinois during the week of July 21, 2002 to conduct the 2002 annual groundwater monitoring event in accordance with the Groundwater Monitoring Plan. ARCADIS personnel plan to initiate groundwater sampling activities on Monday July 22, 2002 and currently anticipate that field activities will be performed during a period of approximately one week.

Please advise if additional information or clarification is needed.

Very truly yours,
